

应用领域：農用器械、  
園藝器材、  
便攜式清洗設備

Application: High-end medical equipment,  
Coffee maker,  
Water dispenser,  
Water circulating equipment,  
Kitchen and bathroom,  
Sterilization etc.

| 產品參數表 Parameters  |               |              |                                       |                                  |                     |                      |             |
|---|---------------|--------------|---------------------------------------|----------------------------------|---------------------|----------------------|-------------|
| 型號<br>Model   | 電壓<br>Voltage | 介質<br>Medium | 空載流量<br>Free flow                     | 空載電流<br>Current<br>under no load | 最大電流<br>Max current | 最大水壓<br>Max pressure | 噪音<br>Noise |
| CJWP52-BB06A1   | DC 6 V        | 水 water      | ≥4.0L/min                             | ≤4.0A                            | ≤8.0A               | ≥500 kpa             | ≤62 dB      |
| CJWP52-BB12A1   | DC 12 V       | 水 water      | ≥4.2L/min                             | ≤2.5A                            | ≤4.2A               | ≥200 kpa             | ≤65 dB      |
| CJWP52-BB24A1   | DC 24 V       | 水 water      | ≥3.0L/min                             | ≤1.0A                            | ≤2.0A               | ≥400 kpa             | ≤62 dB      |
| 其它參數 Others   |               |              |                                       |                                  |                     |                      |             |
| 壽命實驗 Life test  |               |              | 24,000次（常溫，負載500kpa運行，開30S，停10S為一個循環） |                                  |                     |                      |             |
| 使用環境 Working environment  |               |              | 0~50°C，85%RH                          |                                  |                     |                      |             |
| 可根據客戶具體要求進行定制。Able to customize according to customer requirements. |               |              |                                       |                                  |                     |                      |             |
